Professional Experience

I earned my undergraduate degree at Marymount College in Tarrytown, New York, and earned my law degree at Rutgers University School of Law – Camden. Before attending law school, I was a title insurance agent with a major national title insurance company

Prior to joining the HCK firm, I was a partner in the law firm of Kearns, Reale and Kearns, located in Willingboro, New Jersey. I have more than 40 years of experience in the areas of residential real estate, title issues, Wills, Powers of Attorney, estate administration, and guardianships. My focus is to assist clients through advance planning with the goal of avoiding litigation, which is time-consuming, costly, disruptive of family relationships, and where there is never a certainty that a desired outcome will be achieved. I am admitted to practice before the trial, appellate and Supreme Courts of the State of New Jersey, the United States District Court for the District of New Jersey, and the United States Supreme Court. I earned the Diplomate in Local Government Law designation from the New Jersey Institute of Municipal Attorneys.

I have always been active in our local community and remain involved with the Rotary and our local church. I also enjoy spending time with my family in Colorado and traveling with my husband Bill, also an attorney and member of the HCK firm.
