Overview

Ingrid aka Genius is HCK sunshine. Everywhere she goes employees love her. She is the most helpful, friendly and funny of all. At every HCK event, she always come up with the craziest, unique and funniest things to say when she presents herself. She has been working for HCK since 2012. She started as a receptionist and now works in the accounting department. If you ever want to smile and relieve some stress, go visit her at her desk and she will do the trick with the flowers on her hair.
